

_Two_Days Work_Shop on_DNA_Sequencing_

Organized
By

_Ekta Incubation_Centre

Founded by
Maulana Abul Kalam Azad University of Technology

Objective: -To provide hands-on training on capillary DNA Sequencing

Training_Module:-

Day 1:- a) Instrument demonstration
b) PCR clean up
c) Cycle sequencing PCR
d) Cycle Sequencing Cleanup, prep in HI-DI

Day2:- a) Cycle sequencing run
b) Brief Introduction to DNA sequencing
c) Data Analysis

Who can participate:-M.Sc students, PhD Scholars, Researchers.

Date:-20th& 21st Feb, 2018 From-10 am to 6 pm

Venue:-EKTA Incubation Centre

AQ 13/1, 3rd floor Salt Lake, Sector-V. Kolkata-700091

Registration Fees: Rs 1000 /- (To be payable by cheque/draft in favour of EKTA Incubation Centre (own)/ payable at Kolkata)

Intake 10 participants on first come first serve basis
